

HIGH POINT MIDGET FOOTBALL, INC.

August 11, 2009

Dear Dedicated Sponsor,

Planning for the 2009 Hawks Season had begun once the 2008 Season was completed – now we are in full swing for 2009 and practices are well underway...

We are in need of your support. As you may know, the High Point Football Club receives no monies from any town or recreational organization. The monies raised for our organization are through the hard work and dedication of parent volunteers. As with everything, the costs for new equipment, and also the repair and refurbishment of our existing equipment continue to rise. We firmly believe that investing in our youth will only strengthen our community and serve as a positive example.

As in the past, we are asking our local business and professional communities to show their support by sponsoring ad space in our 2009 Booster Book. Team sponsors will have a banner displayed at our home field during scheduled games and will also receive a full-page ad in our program book along with a team sponsorship plaque and their name and web link posted on our web site. If not a sponsorship, a contribution of any amount will be a big help.

In August we had taken on one of our largest initiative in our 41 year history – the development and funding of our own football field at Woodbourne Park, in Wantage. This project is being funded solely by the Hawks and our Dedicated Sponsors. If you are interested in becoming a corporate sponsor of the new field, please contact me directly. You can also chart the progress of the development on our web-site.

Attached for your convenience, is a form to return with your donation.

On behalf of the HPMF Board, Coaching Staff and most of all the Players, I thank you in advance for your continued support and look forward to the upcoming 2009 Football Season. Should you have any questions and/or concerns, please do not hesitate to contact me at (973) 702-0919.

Thank you for your consideration and your support is greatly appreciated!!!

Sincerely,

Paul J. Pfeil
