

HIGH POINT MIDGET FOOTBALL, INC.

September 12, 2008 HAWKS NEWSLETTER

Dear Parents & Players...

I wanted to take this time to touch base with everyone and update you on a few things...

Conduct on & off the field

First and foremost, I want to thank everyone within the Hawks Family (*players, parents, coaches & family members*) for their on-going professionalism when representing the HPMF Program both at home and on the road. I know there have been a number of times when our patience has been pushed to the limit but we continue to rise above the situation and for that I'm grateful and very proud to be a part of the Hawks program... A perfect example of our members going above and beyond is evident with our Flag Silver Team helping to break down the field in the pouring rain for the opposing team at their field – ***now that is Hawk Pride...***

Support & Volunteers

Please remember that we need everyone's help throughout the year to ensure that our program and season runs smooth. The sole purpose of the Volunteer form is to get people to pitch and help build our program. As I mentioned in the past, the only way a program of our size can continue to grow and improve is by the on-going support and help from our members. There are a number people who continue to do more than what is asked of them and this truly does help our kids and players to grow...

Woodbourne Games

The home games scheduled for Sunday October 12th will be moved to the Woodbourne field on Sherman Ridge Road in Wantage – as we did in 2005 & 2006 we will be setting up a temporary concession stand for the weekend... We will be doing more at the Woodbourne field in the future...

Calendar Raffles

We are approaching the official kick off of the calendar raffle drawings – there are still tickets available for sale – please contact Kelly Smolen or myself if you need more... Winners will be posted on the Hawks site weekly...

End of year Banquets

Here the season just kicked off and now we are talking about the end of year parties – we are planning these events and more information will be communicated to the teams shortly – as like in years past, please keep the 1st full weekend in December open...

On behalf of the Board & Committee Members thanks and GO HAWKS!!!

Paul Pfeil
HPMF President
