

HIGH POINT MIDGET FOOTBALL, INC.

October 20, 2008 HAWKS NEWSLETTER #3

Dear Parents & Players...

I wanted to take this time to touch base with everyone and update you on a few things...

End of year Banquets - _banquets forms have been distributed, please make sure to get the completed forms back to your Team Coordinators by the due dates so that we can make sure we have an accurate headcount. If you can help setup, please let your Coordinator know.

Woodbourne Field – a special thanks to all that helped set-up, run & break-down our game field at Woodbourne Park for our Pony & Super Games on October 12th. We have been working with the Town of Wantage to help develop an additional practice facility at Woodbourne Park – near the football field. More information will be forthcoming, please check the web-site for updates...

November Elections – we will be holding our annual HPMF Board elections at our next regular Board Meeting November 11th 7pm at the Sussex Firehouse...

1st Annual Hawk Bowl - we will be holding our 1st Annual Flag Football Hawk Bowl on Saturday November 1st 10am – 1pm at the Brookside Field. We will bring the entire flag family together for one last party – letting the kids play and cheer for each other one last time. We will be taking one big team photo of all the players together that will be hung in the concession stand for all to see...

Senior Day – on October 28th we will be inviting those players moving up to the next level to practice with their new teammates – for example those flag players who will be 8 next year will be coming to the fairgrounds to practice with the Pony Teams (no contact/hitting). We will be running through some basic drills and warm-ups roughly 1 hour. The flag players will be invited to the equipment trailer to check-out their gear that they will be using next year.

High School Game – we have been invited to take part in the High School Football Game on Saturday November 1st when the Cats take on the Walkill Valley Rangers - 2pm kick-off. We do have some games scheduled later that day but if you can come out and support please do – this will be a great time!

I would like to take this opportunity to thank everyone for your continued support of our program. Personally I'm very excited about the strides we have made this year - our largest turnout at every level (football & cheer), another great Pep Rally, new volunteers helping out, working with the HP Wild Cats and now the introduction of our 1st Annual Hawk Bowl.

Both the Township of Wantage and the Town of Sussex believe in the work that we do for our children and the community. Additionally, we have built up strong ties with baseball and the softball programs allowing us to work together for the children... It is truly a great time to be a HAWK...

With the end of the 2008 Season fast approaching we are looking forward to the preparation of the 2009 season. On behalf of the Board & Committee Members thanks and GO HAWKS!!!

Paul Pfeil
